

Progress Report 1

Project Title	Encryption Key
Group No.	#4
Semester/Year	2023
Date / Time	26/04/2023 – 8:00 PM
Course	Senior Project
Grade out of 10 (By Supervisor)	9

Student Name	ID	Email Address
Abdullah Alsalem	441226478	Abdullahalsalem18@gmail.com
Habeeb Almrai	441226451	Habmar32@gmail.com
Naif Alsubaie	442141286	Naif3166@gmail.com
Hamad Althwab	442141274	Hamad49905@gmail.com

Supervisor Name	Signature/Initial

Graduation Project Committee Approval	Accepted
	Accepted with Modification

Proposal Requirements Checklist & Marking Guide

Section	content	Mark
Front Page	<ul style="list-style-type: none"> -Project Title -Group# -Students Names -Supervisor Name -Semester / Year -Department 	1/1
Abstract	<ul style="list-style-type: none"> -Clearly and briefly answering the following: -What is problem? -Why there is a problem? -Limitation of existing work (briefly mention few of them, probably 2) -How you are going to address the problem? -Expected result and its significance 	1/1
Table of Content	<ul style="list-style-type: none"> -Well formatted 	1/1
Introduction	<ul style="list-style-type: none"> -Broadly Introduce your topic -Define your problem precisely (your research question) -Work has been done and its limitation (review) -Your proposed work - Your contribution 	/1
Aims and Objectives	<ul style="list-style-type: none"> -Tell the readers about the aims and objectives behind your proposed work. Why it is important? 	/1
Methodology	<ul style="list-style-type: none"> -Your proposed solution to address the problem -Used tools e.g. algorithms, software, datasets, programming language and platform 	1/1
Conclusion	<ul style="list-style-type: none"> -You should briefly restate the topic and explaining why it is important -Summaries main points of your research -Limitation of your work which you could address in future 	1/1
References	<ul style="list-style-type: none"> -List your references - You are advised to use Endnote for referencing and citation. -Be consistent with referencing and citation styles. - You should follow IEEE citation standard. 	1/1

Language and Format		
Grammar	-Proposal should be written well (Grammar)	0.5/1
Structure and Format	-Use a “Times New Roman” font with 12 pt font size -Headings font size starts from 16 pt and in decreasing font size with sub-headings -Line-spacing is 1.5 -Margins: 1 inch from the top, bottom and right sides of the page and 1.25 inches from the left side. -Your proposal should be within 6-8 pages including the front page and reference page.	0.5/1
